Goals The objective of the course is to introduce students to the fundamentals of international finance, international asset allocation and international financial management.

Description This course focuses on international financial management. We will deal with corporate issues from the perspective of companies operating in a multi-country environment and with problems facing an international financial or risk manager. The objective of the course is to familiarise participants with the fundamental issues in international finance and how they relate to business practice. In order to meet this objective, the course will be based both on lectures and group sessions.
