Language of instruction English

Goals  
Learning the principles of academic writing  
Finding a thesis topic  
Writing a problem statement  
Writing a research proposal

Description We prepare students optimally for their thesis by addressing the required steps such that they are able to write their master thesis in the hours scheduled for it.

We use a step-by-step method to select thesis topic, the problem statement, the literature, the analytical approach, the supervisor and finally construct a thesis outline.

After the skills students have the research proposal for their thesis plus a (possible) supervisor

Literature A course manual and topic dependent key-articles as selected by students.

Prerequisites none

Teaching methods PBL / Assignment / Groupwork

Assessment methods Final Paper / Participation
