Goals	The primary objective of this skill is to let participating students get into touch with foreign financial markets and practices through a short international study tour. After finishing the skill, the students will have a notion of the financial working methods of companies abroad, the nature of the local financial markets, and the economic developments of the visited country.							
Description	This course provides a useful background for second and third year Bachelor students who are interested in topics about international and cultural differences in the global financial environment. The location of the tour will vary from year to year. Participating will write a paper concerning their key findings. The Finance Study Association is involved in organising the trip.							
Literature	Articles							
Prerequisites	Skill is meant for IB/IBE Bachelor students, having done at least two Finance Major courses.							
Teaching methods	PBL / Presentation / Groupwork							
Assessment methods	Final Paper
