Course Descriptions Bachelor 2019-2020

Course Title	(Business) Research Methods for Pre-master
Course Code	EBC2170
ECTS Credits	6,5
Assessment	Whole/Half Grades

Period	Period	Start	End	Mon	Tue	Wed	Thu	Fri
	5	14-4-2020	5-6-2020	X			X	

Level	Premaster
Coordinator	Anouk Festjens, Kristin Kronenberg For more information:a.festjens@maastrichtuniversity.nl; k.kronenberg@maastrichtuniversity.nl
Language of instruction	English
Goals	For business research the use of data analysis is pivotal and it is the objective of this PREMASTER course to introduce students to quantitative data analysis methods for business research. To provide you with the quantitative business research methods we will: * Introduce relevant quantitative data analysis methods for business research; * Apply these quantitative data analysis methods in a team assignments using the statistical software package IBM SPSS as analysis platform using a hands-on, data-based case approach; * Interpret the empirical results obtained from the data analysis in IBM SPSS; * Present and communicate the findings in a meaningful way and * Report and discuss findings and implications.
Description	This course is a follow-up to the course Academic Skills and Competences for PREMASTER. The following stages of the scientific method can be distinguished: (1) defining the problem, (2) develop the theoretical framework and hypotheses, (3) research design, (4) development of measures and data collection, (5) data analysis and (6) Interpretation and reporting. In this course we will focus on quantitative analysis for the stages: (4) development of measures and data collection, (5) data analysis and (6) Interpretation and reporting. We cover the following topics: * Scaling * Questionnaire Design (QUALTRICS) * Sampling * Hypotheses Testing (Sample Size/Power) * Descriptive Statistics * Visualization/Graphs * Basic Analytics (parametric and nonparametric Tests) * Analysis of Variance * Correlation * Regression * Factor Analysis
Literature	* Field, A. (2017). Discovering Statistics Using IBM SPSS Statistics. Sage Publications. * Field, A (2016). An Adventure in Statistics: The Reality Enigma. Sage Publications.
Prerequisites	Dutch, German or Belgian University of Applied Sciences (HBO) students
Keywords	
Teaching methods	Presentation / Lecture / Assignment / Papers
Assessment methods	Participation / Written Exam / Presentation
