Description	<p>PLEASE NOTE THAT THE INFORMATION ABOUT THE TEACHING AND ASSESSMENT METHOD(S) USED IN THIS COURSE IS WITH RESERVATION. THE INFORMATION PROVIDED HERE IS BASED ON THE COURSE SETUP PRIOR TO THE CORONAVIRUS CRISIS. AS A CONSEQUENCE OF THE CRISIS, COURSE COORDINATORS MAY BE FORCED TO CHANGE THE TEACHING AND ASSESSMENT METHODS USED. THE MOST UP-TO-DATE INFORMATION ABOUT THE TEACHING/ASSESSMENT METHOD(S) WILL BE AVAILABLE IN THE COURSE SYLLABUS.

The course Advanced Research in Organisations is aimed at understanding organisational research, assessment, and evaluation to identify organisational issues/problems/challenges in order to improve organisational and individual functioning/performance.</p> <p>The course examines some of the fundamental theoretical concepts, contemporary scientific research methods, data collection and analyses, measurement issues, and professional report writing and -presentation.</p> <p>The primary focus is on the practical application of research competencies aimed at improving organisational/HRM policies and performance.</p> <p>Procedure: At the start of the course, students together choose a topic from the field of organisation/HRM/organisational behaviour studies in which they are interested. Next they develop a research model with the constructs they want to examine (e.g., moderation or mediation model) from an appropriate theoretical perspective. Next, the research design will be chosen and measurement issues will be discussed. Archival datasets or small scale data collection can be used to test the proposed model and to write down and discuss the results according to professional standards.</p> <p>Key words for this course are: Research design, Organisation studies, HRM studies, Organisational Behaviour.</p> <p>Note: additional information about assessment methods: short final paper.</p>																
Literature	There is no prescribed literature. Literature will be selected from various scientific journals, for example: Academy of Management Journal, Human Resource Management, Journal of International Business Studies, Human Relations, Leadership Quarterly, and Group and Organization Management.																
Prerequisites	<p>This course is meant for:</p> <ul style="list-style-type: none"> - students who have chosen the organisation track or the organisation & strategy track within the Research Masters in International Business. The course can serve as a preparation for the Research Master Thesis; - for early stage PhD-D students. <p>It is assumed that students are familiar with the main theories of organisation and with major research approaches. This course will help students to learn what kind of research is done in this particular field.</p>
