 Goals The workshops in Finance have two purposes.
 The first is to give Research master students a broad insight into current research in Financial Economics through a regular seminar series.
 The second purpose is to provide Research master students with the skills needed in today's scientific environment, such as presenting one's research to a group of scientific peers and constructively discussing research papers.
 Description These goals will be attained through the attendance of a full academic year of a special seminar series in Financial Economics organised by the Finance Department, and in which senior of the department will participate.
 Literature W Thomson (2001) A guide for the young economist, MIT press.
