Course Descriptions None 2013-2014

Course Title	Industrial Organisation and Public Economics
Course Code	EBC4148
ECTS Credits	6,5
Assessment	None

Period

Period	Start	End	Mon	Tue	Wed	Thu	Fri
2	28-10-2013	20-12-2013	C				

Level	Advanced
Coordinator	Christian Seel For more information:c.seel@maastrichtuniversity.nl
Language of instruction	English
Goals	Students will apply their knowledge on Industrial Organisation and Public Economics to closely related fields such as auction, matching and network economics.
Description	This Research master course builds upon knowledge of the first year courses of the research master. It goes deeper into the subjects treated there, mainly on the basis of selected articles. Topics may include auction, matching, and network economics, public economics and public choice.
Literature	will be announced later on the corresponding Eleum webpage (this is a research master course that will be based on recent scientific articles, which will be chosen later)
Prerequisites	This Research master course presumes knowledge of a level equivalent to the first year research master course in Microeconomics. Knowledge equivalent to the elective Industrial Economics is strongly recommended.
Teaching methods	PBL / Presentation / Assignment
Assessment methods	Final Paper / Attendance / Participation / Written Exam / Oral Exam
Evaluation in previous academic year	For the complete evaluation of this course please click http://iwio-sbe.maastrichtuniversity.nl/rapporten.asp?referrer=codeUM
