Goals	Purpose of this course is to improve the interactive presentations skills. Presentations in different situations will receive attention, but with an emphasis on scientific paper presentations. We require 100% participation, and serious preparation for the meetings.																
Description	<p>The course will be organised under guidance of METEOR fellow Piet Eichholtz and external communication expert Johan van Amersfoort.</p> <p>Topics:</p> <ol style="list-style-type: none"> <li>1. Course introduction, optimizing social interactive learning moments, exploration of interaction</li> <li>2. Assessment prepared paper, current presentation skills of the participants</li> <li>3. Getting conscious of obstacles in presentation</li> <li>4. The participants will each give a short (non-scientific) presentation, which will be prepared during the day</li> <li>5. Presentation and communication in special situations</li> <li>6. Put into practice the practiced and discussed presentation and interaction skills</li> <li>7. Dealing with interviews and the press</li> <li>8. Follow up period of eight months in which you have to present a METEOR colloquium (afterwards there will be a one-to-one video analysis). This colloquium is the final oral exam.</li> </ol>
