2	28-10-2013	20-12-2013	X			X	

Level Advanced

Coordinator Frank Moers For more information:f.moers@maastrichtuniversity.nl

Language of instruction English

Goals The goal of this course is to give you a solid understanding of what research in Accounting and Information Management is all about. This information should help you in making an informed decision about your specialisation in the second year.

Description This course will introduce you to research in Accounting and Information Management. The course is split in two parts: an Accounting part and an Information Management part. During the first 3.5 weeks, we will discuss special topics in accounting research, while the special topics in information management will be addressed during the last 3.5 weeks.

Literature

Prerequisites Courses and workload are very demanding for all IB Master courses. Exchange students need to have obtained a Bachelor degree in business and major in accounting in their Master.

Teaching methods PBL / Assignment

Assessment methods Final Paper / Participation
