Goals	We study state-of-the-art knowledge on alliances and M&As in terms of both academic contributions and more practitioner's oriented knowledge. M&As and alliances are discussed from various theoretical perspectives. Students learn to combine these concepts and confront them with empirical findings. Key element is that course material will be related to real-life cases.
Description	This course aims to give students a better understanding of the purpose of alliances and M&As and the process of setting up these specific forms of Organisation. Several aspects of alliances and M&As will be taught such as their strategic management and network formation.
