Goals	Apply the knowledge of the courses in the 1st year IB in a simulated real-life business organisation																
Description	<p>This skills training is organised as a game in which an international market is simulated in which six companies currently participate. The game consist of 10 rounds in which a number of firms participate in a (number of) markets. Every day students get feedback on the performance of their 'company' and their competitors . The examination of the game consists of a intro-test, a peer assessment and the actual results measured by a number of performance variables; equity ratios, stock price, profit used in the game for the firm in which the student is involved.</p> <p>The management game serves as a (simulated) real-life application and Integration of the acquired knowledge from the following 1-st year IB courses: Management of Organisations and Marketing, Economics and Business , Accounting, Strategy, Finance, Fundamentals of Supply Chain Management. Every student is obliged to have an individual GBG licence.</p>
