Period	Start	End	Mon	Tue	Wed	Thu	Fri
1	3-9-2018	26-10-2018		X			X

Level	Advanced
Coordinator	Paulo Rodrigues For more information:p.rodrigues@maastrichtuniversity.nl
Language of instruction	English
Goals	The workshops in Finance have two purposes. The first is to give Research master students a broad insight into current research in Financial Economics through a regular seminar series. The second purpose is to provide Research master students with the skills needed in today's scientific environment, such as presenting one's research to a group of scientific peers and constructively discussing research papers.
Description	These goals will be attained through the attendance of a full academic year of a special seminar series in Financial Economics organised by the Finance Department, and in which senior of the department will participate.
Literature	W Thomson (2001) A guide for the young economist, MIT press. Research papers of the finance department and to be discussed by the participants
Prerequisites	Only for Research Master students.
Teaching methods	Presentation / Lecture
Assessment methods	Attendance / Participation
