First, there will be sessions in which students will deal with general research skills, writing a research proposal, theoretical framework, research methodologies, reporting and discussion. This is common knowledge that every Marble student should know. Second, there will be group sessions where students discuss their own work in progress and will receive feedback from peers; This relates to: the research proposal, the theoretical framework, and the discussion of the research. Furthermore, there are some sessions about critical thinking. This course is obligatory for all Marble students. It will have a multi-disciplinary character. In this way students will get acquainted with a variety of research methodologies. In the third part (the capstone) of the triptych students will finalize their paper.
