TRANSITIONAL REGULATION (EBC2007): Students who started prior to academic year 2018-2019 and did not pass the course EBC2007 will have two options in academic year 2021-2022: 1. The option to write an examination for EBC2007, at the same time the examination for EBC2164 and EBC2165 takes place. In deviation from what is stated in the Education & Exam Regulations, the participation requirement for these students is waived and the grade for the exam will be the final grade for the course. 2. The option to do course EBC2165 (whole course including participation), which will be considered as an Open Programme and for which you will receive an official approval from the Board of Examiners. The Open Programme will not be stated on your transcript. Please note that academic year 2021-2022 will be the last year during which an exam for EBC2007 will be offered. From 2022-2023 onwards, students that still need to pass EBC2007 will have to enroll in EBC2165 and pass all the requirements (including participation) of that course, as they are stated in the course syllabus.
