 Goals See the Course Contents
 Description This course does not have a fixed content, block period, or teacher. Instead, its code can be used for special topics that are not offered within the regular offering of the master program Econometrics and Operations Research of the SBE. The initiative can be taken jointly by a teacher (member of the Department of Quantitative Economics) and a group of students
 Students who participate in this course have to register for it in period 5, even if the course has been given in an earlier period of the same academic year

Literature
 Prerequisites Only (Research) Master students and PhD students can take this course.
 The general level is the level of the master program Econometrics and Operations Research.

Teaching methods PBL / Lecture / Assignment
 Assessment methods Participation / Written Exam
