Goals	Scientific researchers are supposed to contribute to the peer reviewing process of scientific journals. The skill of writing a good referee report is a competence to be acquired in becoming a complete scientist. In this course, students are trained in a practical way in the writing of a report.
Description	There is one opening lecture in which tips and tricks are provided. Next, students write a referee report for a chosen paper. Finally, students read each others' reports and discuss on them in a closing session, where also the lecturer provides his/her feedback on the reports.
Literature	Links to articles with tips for writing referee reports will be made available on the course website.
Prerequisites	This skill is only available to research master students who are missing 2 ECTS or less in their study plan in order to graduate. Small ECTS deficits arise if students have taken courses outside UM with different ECTS per course.
Teaching methods	PBL / Lecture / Assignment
Assessment methods	Final Paper
