The training in this skills course focuses on different communication techniques. Some examples follow.</p> <p>Pecha Kucha: a timed presentation using pictures. Students learn to time their presentation and respect deadline of 20 seconds per slide. Requires good preparation.</p> <p>Elevator Speech: few minutes to draw someone's attention to an issue, aiming at establishing a future appointment with the interlocutor and tell him/her more. Students learn to be concise and effective.</p> <p>TED talk: combines story-telling, the use of catchphrases, metaphors, analogies, maintaining the audience's interest. Learning objective: the power of words and presence on stage.</p> <p>PowerPoint is a support but how you convey your information is of paramount importance.</p>
