| Goals | The aim of the World of Research skill is two-fold.<br>1. Students improve their academic writing skills.<br>2. Students get deeper insight into the research frontier in different disciplines. |
| Description | For the first goal, students will participate in a course organized by the Language Centre (June – skills period). In this course, students will write their own text, review literature, improve texts, practice advanced grammar and learn to identify typical features in published articles.<br>For the second goal, students are required to participate in several research seminars of their choice. A wide range of seminars is offered. |
