Goals In the MARBLE programme, you obtain your first experiences of what it is like to do your own academic research under the guidance of experienced researchers. The MARBLE programme consists of the MARBLE thesis course (EBT0019) in Semester 1 or 2 and the MARBLE research course (EBC2152) in Period 1 or 4.

Description The MARBLE BSc thesis is an individual research project which can take different forms. The topic of your MARBLE BSc thesis is custom made and determined together with your individual supervisor. When working on your MARBLE BSc thesis, you will have regular individual meetings with your supervisor. In addition, the MARBLE thesis course provides lectures about different research-related topics. Towards the end of the semester, you will present your findings in a workshop.

Literature The literature for the MARBLE thesis is determined jointly by student and supervisor.
