Language of instruction English

Goals
Finding a thesis topic
Writing a problem statement
Formulating a research design
Writing a research proposal

Description We prepare students optimally for their thesis by addressing the required steps such that they are able to write their master thesis in the hours scheduled for it.

We use a step-by-step method to select a thesis topic, the problem statement, the literature, the research design, the supervisor and finally construct a thesis outline.

After the skills students have the research proposal for their thesis plus a (possible) supervisor

Literature A course manual and topic dependent key-articles as selected by students.

Prerequisites none

Teaching methods PBL / Assignment / Groupwork

Assessment methods Final Paper / Participation
