Language of instruction English

Goals This is a very practice-oriented course.

Description This course deals with different methods of forecasting, making use of different techniques. Besides hands-on experience with forecasting, students will learn to interpret results and communicate them adequately. This course teaches analytical thinking with state-of-the art technology and allows students to apply their knowledge to different settings.

Literature Textbook

Prerequisites Courses and workload are very demanding for all IB Master courses. Exchange students need to have obtained a Bachelor degree in business and major in accounting in their Master.

Teaching methods PBL / Presentation / Assignment / Groupwork

Assessment methods Take home exam
