Goals	Students learn to write a review							
Description	In this skills course you will learn how to write a critical review of an academic paper. You will receive some guidelines on how to write such a review, but the most you will learn is by first carefully reading the paper you have to review, reflecting on it, making notes about the points you want to discuss in your review, and finally through the writing process (that is, writing, reading and re-writing) itself. In the course you will receive feedback on a draft of your review by a student-commentator as well as the tutor.							
Literature	Academic papers. To be announced on Canvas in due time.							
Prerequisites	an advanced level of English No specific knowledge required.							
Teaching methods	PBL / Assignment							
Assessment methods	Final Paper / Attendance / Participation
